AN ELEGANT WEDDING EXPERIENCE

Weddings at Mitas Hill

At Mitas Hill, we invite you to “Raise Your Glass to the Good Life”. Your wedding day deserves the very best and we are passionate about creating exceptional weddings. Your perfect day deserves a signature destination. A storybook wedding in a setting that is picturesque, natural, and elegant. Where old friends and new family gather to celebrate and new memories take root. Where every vista is a postcard. Where the sound of laughter echoes through the valley.

Whether you’re hosting an intimate wedding or a grand affair, you want an unforgettable experience for yourself and your guests. The grandeur of the 15,000-square-foot Event Center sets the stage for memorable weddings. The Grand Ballroom hosts grand weddings up to 200 guests. The Reserve is perfect for intimate weddings up to 100 guests. Our Bride & Groom rooms are your private retreat to relax and be pampered before the big event. With a variety of rooms suited for celebrations of all sizes, Mitas Hill can also host romantic Proposals for two, elegant Bridal Showers, lively Bachelorette Soirees and extraordinary Rehearsal Dinners.

With its vast acreage and diverse landscape, Mitas Hill serves as a unique backdrop for one-of-a-kind photography you will cherish for a lifetime. Your photographer will delight in the endless options for breathtaking photos. Choose the gazebo or the garden, the sunshine or the shade, the veranda or the vineyard. The ultimate location for a sophisticated wedding – all set majestically on the hilltop amid 22 acres of manicured vineyards. Our hillside terrace provides a stunning view of the vineyard below. Imagine your ceremony framed by the beautiful landscape.

We understand that every couple has a unique style, budget and vision for your special day. We have worked with some fabulous people who can offer you everything you need in one stop. Our preferred caterers and vendors are some of the best in the business, and can work with you to create the wedding of your dreams within your budget.

Because every meal deserves a remarkable glass of wine, we offer extraordinary wines crafted by our own Winemaker from grapes grown in our vineyard. When you choose Mitas Hill Vineyard for your wedding, we will uncork our exclusive signature wines to compliment your dinner selection.

This sun-drenched hill captured our hearts long ago and this little slice of heaven will become part of the fabric of your life too. The timeless memories that you create here will be captured in your heart and in your photos. This is the beginning of your happily ever after.
